Lunch & Learn Event For Local Doctors Helps Accident Victims Receive Better Care, Build Stronger Cases

After a car accident, many clients do not know how to navigate treatment for their injuries. They are dealing with a number of roadblocks, including:

- Lack of health insurance coverage
- No extra money to pay a doctor
- Inability to work because the injuries are so bad
- Uncertainty on what kind of doctor they need
- No transportation to get to appointments
- Extreme pain and discomfort
- Lack of sleep causing irritability

At Todd Law, we work to guide our clients on how to eliminate all of those roadblocks so they can feel better and get back to a normal life. This means recommending trustworthy doctors who understand the right way to treat car accident patients.

To ensure that the doctors in our area are up-to-date on the best ways to do this, Todd Law recently hosted a free Lunch and Learn for physicians, chiropractors, and physical therapists. The purpose was to answer questions and teach methods that help clients fight the insurance companies unwilling to pay for the medical treatment that the clients deserve.

Our Marketing Director, Anneke Godlewski, also offered tips on how to really connect with and show appreciation for patients, in the same way we do for every client who walks through our door! Todd Law receptionist Cynthia

Marrero made sure that our guests felt welcome and did a great job keeping everything organized.

Todd Law Times Helps Fig Tree Café Celebrate One Year Anniversary!

A big thanks to Wendell Webb, the manager of Fig Tree Café down the street from our office, who went out of his way to display the Todd Law Times article we wrote about the Café's grand opening last year! We stopped in with a framed version to help them celebrate the milestone and he made sure it was proudly displayed for all to see! Congrats, Fig Tree!

RECIPE OF THE MONTH

Tomato & Smoked Gouda Soup

INGREDIENTS

- 3 Tablespoons butter
- 1 large onion, halved and sliced
- 2 (28 oz.) cans plum tomatoes, undrained (preferably San Marzano tomatoes)
- 1 cup chicken broth
- 1 cup cream
- 1 teaspoon dried Italian seasoning
- 1/2 teaspoon celery seed
- Salt and pepper to taste
- 1 cup (or a little more) Smoked Gouda, shredded, plus extra for topping.

DIRECTIONS

In a large pot, melt the butter over medium heat. Saute onion until tender, about 8 minutes. Add tomatoes and broth, and break up tomatoes somewhat with a spoon. Simmer, uncovered for 30 minutes. Use an immersion (stick) blender or a regular blender to puree the onion and tomatoes. Add cream and seasonings. Add cheese, and stir until it's melted. Season with salt and pepper to taste. Ladle into bowls and top with more cheese, if desired. Serve with slices of crusty bread. Serves 6.

Out & About In Atlanta

When Attorney Joe Todd used to go to legal conferences early in his career, they were nothing like the cutting-edge events they have now! Joe and Jillian were wow'ed at the Crisp Game Changers Summit, which is hosted every year in Atlanta. Best practices for entrepreneurs, insights on what is up-and-coming in the legal world, and fantastic life lessons by speakers like Gloria Allred, Gary Vaynerchuk, Hal Elrod, and Chris Voss kept them on the edge of their seats for two days!

Happy Birthday, Jillian!

There are some people in this world who are simply meant to be a voice for others. In our office, that person is Attorney Jillian Todd. Her compassion and understanding paired with her knowledge of the law and desire to fight for what's right has meant everything to so many people in our community and to everyone at Todd Law. We truly could not do it without her and the sacrifices she makes daily to serve our clients. May your birthday be the best one yet and may the year ahead bring you happiness, joy, and success! Happy Birthday, Jillian!

Do you know the story behind the building in these photos?

Hints:

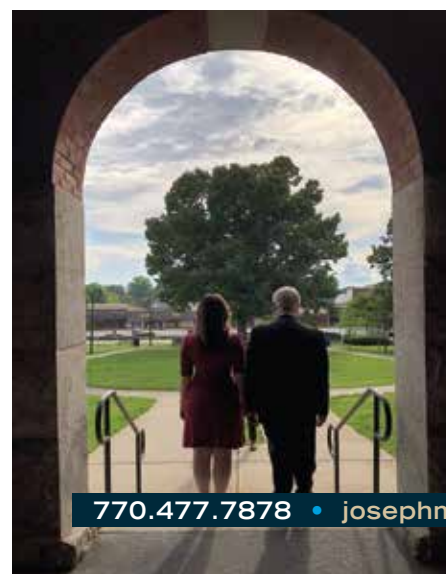

1. It's where we spend a lot of our time outside of the office
2. The building has been a staple in Jonesboro since 1898

Raving Fan of the Month

"After leaving court, I felt so defeated. But seeing the Joseph M. Todd, PC sign and coming into the office changed my life. What Jillian did was put herself in my shoes and had complete empathy AND sympathy. The whole office staff was very generous with me and always gave me their time. I would shout it from the rooftops. They are the best."
