Thank You CBS 46, Clayton News Daily, Lake Ridge Elementary For Highlighting Todd Law Helmet Giveaway

Todd Law would like to extend a huge thank you to Kayla Rivera of Atlanta's CBS 46 and Heather Middleton of the Clayton News Daily newspaper for their coverage of our very first bike helmet giveaway. Heritage Bank and their Director of Marketing, Lincoln Parks, were also gracious for inviting us to use their beautiful front lawn for the event and by providing water to all the families who came out to receive free helmets. And we couldn't have done it without the help of Bobby and Zena Lukatos, owners of Bobby's Bike Repair and Sales/Service who fitted each and every child for their new helmet.

Not only were we honored to serve the many families who showed up to the event, Attorney Jillian Todd was humbled to accept an invitation to provide helmets to Accelerated Readers at Lake Ridge Elementary School in Riverdale. Cicile McDaniel, the school's Family and Community Liaison was integral in organizing a week's worth of ceremonies that recognized the top two Accelerated Readers in each grade level. All 12 children received a brand-new bicycle donated by Wal-Mart and a helmet from Todd Law.

If your organization needs a small number of helmets, we would be happy to see how we can accommodate!

Tell Us About A Great Kid Who Deserves A New Bike!

The Todd Law Helmet Giveaway was created not only to promote bicycle safety and prevent traumatic brain injuries, but also to kick off our Bikes for Kids Atlanta program. We are asking parents, teachers, caregivers, and loved ones to recognize a child who has made a difference in the life of someone else by nominating them to receive a

free bicycle, compliments of Todd Law. Nominators should consider how the child has positively impacted his or her family, friends, community, or classroom. To nominate a child in your life, visit www.bikesforkidsatlanta.com and we will choose one winner each week of summer to win a free bicycle and helmet.

Questions about Bikes for Kids program can be directed to Anneke by emailing anneke@josephmtodd.com or by calling 770-477-7878.

National Safety & National Outdoor Month: Important Tips For Safe Bike Riding

Not only is June National Outdoor Month but it is also National Safety Month. Although it may be hot (ok, very hot!) in Atlanta, get outside and escape the indoors. Make sure to drink lots of water, wear sunscreen, wear your bike helmet, and put on those sunglasses. Also remember these important bike safety tips, compliments of Safe Kids Worldwide:

- 1. Wear a properly-fitted helmet.** It is the best way to prevent head injuries and death.
- 2. Ride on the sidewalk when you can.** If not, ride in the same direction as traffic as far on the right-hand side as possible.
- 3. Use hand signals and follow the rules of the road.** Be predictable by making sure you ride in a straight line and don't swerve between cars.
- 4. Wear bright colors and use lights, especially when riding at night and in the morning.** Reflectors on your clothes and bike will help you be seen.
- 5. Ride with your children.** Stick together until you are comfortable that your kids are ready to ride on their own.

Max Law Con 2019 In St. Louis Helps Todd Law Help Clients

For the second year in a row, Attorney Jillian Todd traveled to St. Louis, Missouri to join some of the country's best attorneys at the Maximum Lawyer

Conference. The conference was born out of the Maximum Lawyer Podcast, started by Attorney Jim Hacking and Tyson Mutrux, and the mission of Max Law is to help lawyers enhance their practices by serving their clients in the best way possible. Not only were there fantastic speakers, brainstorming sessions, and relationship building, there was also the chance to meet up with members of another "best practices" group Jillian belongs to called "Legal Minds", created by Southern California Trial Attorney Mitch Jackson. It was a great trip!

Clients Serving the Community – Bessie's Natural Treasures & Finding A Flow Camps

We are lucky to serve some of the best, most interesting people in the State of Georgia. Our client, K. Rachelle, is no exception. During a recent meeting with K. Rachelle, Attorney Jillian Todd was blown away to learn about all that she is doing to help kids in our area.

By hand-making luxury soy candles, sugar scrubs, and diffusers through her company, Bessie's Natural Treasures, named after her grandmother, K. Rachelle raises money to send kids to two different summer camps. The Finding A Flow Digital Media Summer Camps are run through her company, Enough Entertainment, and they provide tutoring, life-skill classes, a basketball skills training camp, and guest speakers to help introduce kids to careers available in the entertainment industry.

Bessie's After-care Entrepreneur Workshop is designed to give students a chance to gain hands-on work experience and soft-skills needed to succeed in today's workplace. In Bessie's twenty-four (24) week after-care workshop, participants learn how to measure, mix, assemble, and package luxury soy candles, sugar scrubs, and diffusers. Products made in the program are used to help raise funds for schools, churches, and programs in community.

K. Rachelle

"K. Rachelle is the perfect example of what it means to give without expecting anything in return," Jillian Todd said. "Her vast skill set has enabled her to be successful in so many areas. Yet instead of focusing on how to profit from each one, she is giving back her time and talents to help even more people. We are proud to serve you, K. Rachelle!"

CASE OF INTEREST

Our client was traveling on a two-lane highway in Douglasville, Georgia, when a driver failed to yield while turning left and turned in front of our client. The driver's failure to yield caused our client to swerve in an attempt to avoid colliding the other driver and caused her car to veer onto the other side of the road nearly crashing into the railroad tracks. Of course, the driver tried to deny it was his fault. We took him to court on behalf of our client. Once we took him to court, we were able to resolve the case to our client's satisfaction.

Raving Fan of the Month
